

Changing Application/theme Color

To change Application or Theme color follow the below steps:

The screenshot shows a settings interface with a sidebar on the left containing menu items: Business, Tax, Product, Contact, Sale, POS, Purchases, Payment, Dashboard, and System (highlighted in blue). The main content area has a 'Theme Color' dropdown menu with 'Black' selected, which is highlighted with a red border. To its right is a 'Default datatable page entries' dropdown menu with '50' selected. A 'Show help text' checkbox is also visible.

1. Go to Settings -> Business Settings -> System (tab)
2. Change the **Theme Color** to your desired color. A total of 11 colors (Light & Dark options) are given
