

Increasing Recent Transaction List Limit

Increasing the Recent Transaction Limit in POS Screen

You can increase the number of transactions displayed in the **Recent Transactions List** on the POS screen by updating the environment configuration.

Step 1: Go to .env file in your codebase

Step 2: Search for the variable `POS_RECENT_TRANSACTIONS_DISPLAY_LIMIT =`

Step 3: Set a required value for this variable. e.g `POS_RECENT_TRANSACTIONS_DISPLAY_LIMIT = 200`

This will increase the number of recent transactions displayed on the POS screen.
