

Department

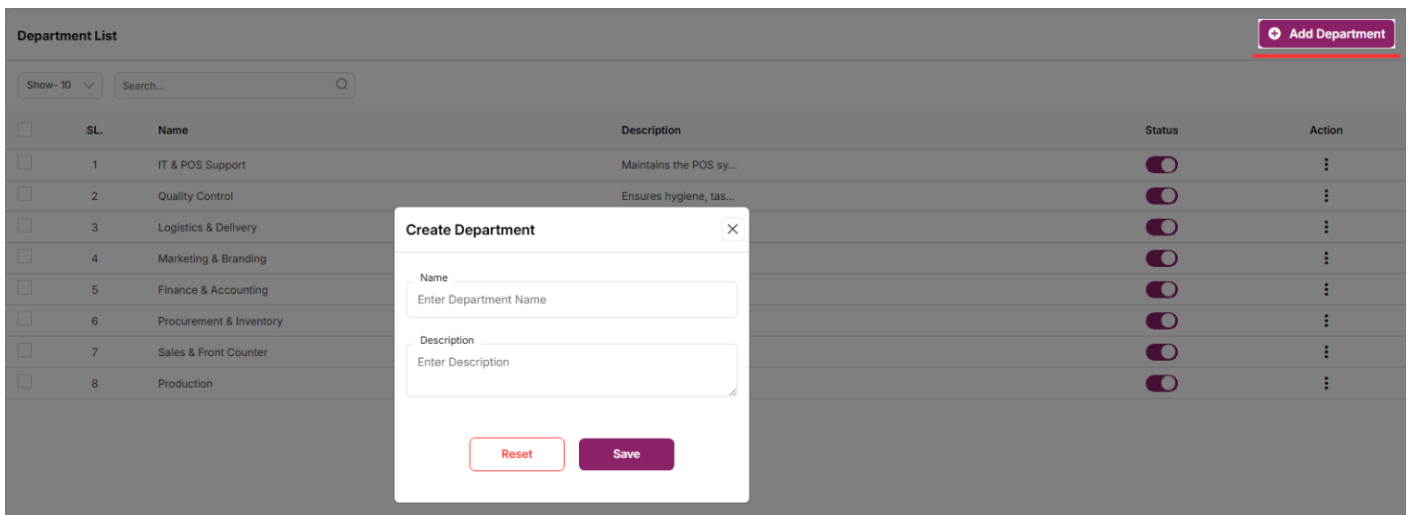

Add New Department

The "Department" form appears as a pop-up or overlay on the "Department List" page. It contains the following fields:

The screenshot shows the "Department List" page. On the left, a dark sidebar menu is open, highlighting the "HRM" section with a sub-menu for "Department". The main content area displays a table of departments. At the top right, there is an "Add Department" button. The table has columns for "SL.", "Name", "Description", "Status", and "Action".

SL.	Name	Description	Status	Action
1	IT & POS Support	Maintains the POS sy...	<input checked="" type="checkbox"/>	⋮
2	Quality Control	Ensures hygiene, tas...	<input checked="" type="checkbox"/>	⋮
3	Logistics & Delivery	Oversees product dis...	<input checked="" type="checkbox"/>	⋮
4	Marketing & Branding	Handles promotions,...	<input checked="" type="checkbox"/>	⋮
5	Finance & Accounting	Manages income, expe...	<input checked="" type="checkbox"/>	⋮
6	Procurement & Inventory	Responsible for purc...	<input checked="" type="checkbox"/>	⋮
7	Sales & Front Counter	Manages customer ser...	<input checked="" type="checkbox"/>	⋮
8	Production	Handles all baking,...	<input checked="" type="checkbox"/>	⋮

The screenshot shows the "Department List" page with a "Create Department" modal open in the center. The modal has a title "Create Department" and a close button. It contains two input fields: "Name" with the placeholder "Enter Department Name" and "Description" with the placeholder "Enter Description". At the bottom of the modal are two buttons: "Reset" and "Save".
