## Payment type List

Here, you can view the list of payment types. The list can be filtered using the search input or the per-page filter. You can also update the status (active or inactive) by toggling the switch. Additionally, edit, delete, and multi-delete options are available.

The screenshot shows the 'Payment Type List' interface. On the left is a dark sidebar with a menu including Dashboard, Sales, Purchases, Products, Warehouse (with an 'Add-On' button), Transfer, Branch (with an 'Add-On' button), Stock List, Customers, Suppliers, Incomes, Expenses, Tax Setting, Due List, Customer Due, Supplier Due, Subscriptions, Profit & Loss List, and Payment Type (highlighted in purple). The main content area has a header with 'View Website' and 'Add Payment Type' buttons. Below the header is a search bar and a table with columns: SL, Name, Status, and Action. The table contains two rows: SL 1, Name 'Online Payment', Status 'On' (toggle), and Action (vertical dots); and SL 2, Name 'Cash', Status 'On' (toggle), and Action (vertical dots).

## Create Payment type

You can create an payment type by filling out the required fields.

The screenshot shows the 'Create Payment Type' modal form overlaid on the 'Payment Type List' interface. The modal has a title 'Create Payment Type' and a close button. It contains two input fields: 'Name' with the placeholder text 'Enter Name', and 'Status' with a dropdown menu currently set to 'Active'. At the bottom of the modal are two buttons: 'Reset' and 'Save'.
